Quick Guide: How do I disable pop-ups in web browsers?

Part I –

By default, Internet Explorer displays pop-ups that appear as a result of clicking a link or button. Pop-up Blocker blocks pop-ups that are displayed automatically. To allow a specific web site to display NOA automatic pop-ups, please follow below instructions.

Part II- Internet Explorer

- 1. At the upper right, click the <u>Tools</u> icon, and select <u>Internet options</u>;
- 2. Click the privacy tab;
- Check/Uncheck Turn on Pop-up Blocker and click on "Ok" to confirm the change.
 Note: To access advanced features, in the "Pop-up Blocker" section, clicking settings...
